Please complete the following to book on to the training day arranged with Tracey Newman.

Details

We have organised a two-day and one-day autumn show jumping clinic with Tracey Newman, a BSJA accredited trainer and international show jumper. Working for John Whitaker for 12 yrs, she produced his young horses, including the famous Milton, before setting up her own yard. Tracey trains people of all levels, both show jumpers and eventer's. There will be a 2 day clinic on 3 and 4 March and one day clinic on 1 October, both will take place at Tracey's yard near Bolton. There will be plenty of lessons, course walks and discussions on both these clinics. Riders will be grouped accordingly with no more than 4 in a group to ensure you gain as much out of the sessions as possible, with 12 places available only on both clinics book early to avoid disappointment. EHOA members may use their vouchers for either clinic.

2 Day - Costs are £110 for EHOA members and £120 for non-members (1 nights stabling included)

1 Day - Costs are £55 for EHOA members and £65 for non-members.
